KEY DIFFERENTIATORS

Well established track record of accomplishments working with Fortune 500 and Federal Contracting companies have made us the go-to organization for top performing talent.

Immense knowledge and experience in Military, Civilian management and Counterintelligence in a Federal & State environment – US Armed Forces

Designed specialized proprietary Artificial Intelligence platform that meticulously selects candidates based on their knowledge, skills, and abilities, faster than human skills. Thus, leading to a national database of highly qualified talent encompassing various industry groups.

Maintain and track a national database of highly qualified candidates holding TS/SCI/FSP/Yankee White security clearances across multiple skillsets and industries.

Our founders have successfully placed thousands of top performing contributors in the private & public sectors.

Our subject matter expertise, industry knowledge and proven sourcing capabilities far surpass our competitors!
